Editor A. HELD, Institut für Theoretische Physik, Universität Bern

Editor's office Institute of Theoretical Physics, Room 121, Sidlerstrasse 5, CH-3012 Berne, Switzerland

Honorary Editor A. Mercier

Contributions Manuscripts and editorial correspondence, as well as books for review, should be sent to the Editor's Office

Aims
- Publication of research papers on topics related to GRG
- Surveys and review articles on current research in GRG
- Details of GRG Conferences and other enterprises of interest to scientists working on GRG
- Book reviews
- Comprehensive bibliography and biographic reports, published as continuation of the Bulletin GRG

Publishing office GRG is published monthly by Plenum Publishing Corporation, 227 West 17th Street, New York, N.Y. 10011, U.S.A.

Subscriptions Annual Subscription: Volume 8, 1977(12 issues), $99.50. Price for individual subscribers certifying that the journal is for their personal use. $35.00. Subscription orders (including those originating outside the Western Hemisphere) should be sent to Plenum Publishing Corporation, 227 West 17 Street, New York, N.Y. 10011. Prices slightly higher outside the United States. Send notices of change of address at least four weeks in advance of the change and include both old and new addresses.
